## BROAD in AHR Expo, USA

In Jan. 2014, BROAD USA took part in the AHR Expo, the world's largest HVAC & R marketplace in NYC. During the Expo, BROAD organized a project visit (The Hippodrome Theatre, in total 4,187kW), and also arranged for a zither (a Chinese traditional instrument) performance enabling visitors to enjoy Chinese culture. The AHR Expo provides a good opportunity for BROAD to reunite with friends & partners from the globe especially North & South America.

## BROAD Attended WFES, Abu Dhabi

World Future Energy Summit (WFES) is the world's number one event dedicated to renewable energies, energy efficiency and clean technologies. 2014 Summit was hosted by Masdar, Abu Dhabi's multi-faceted renewable energy company, and staged at the Abu Dhabi National Exhibition Centre. BROAD setup a booth and presented BROAD products, technologies and applications on energy-saving and environmental-protection solutions such as CCHP, which attracted great interests.
